

# 2021 Dust Control Application

Applicant Name: \_\_\_\_\_

Rural Address: \_\_\_\_\_

*This is the location the County will use to place the dust control. Please ensure it is correct. Applications without this information will not be accepted.*

Legal Description: \_\_\_\_\_

Lot: \_\_\_\_\_ Block: \_\_\_\_\_ Plan: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Postal Code: \_\_\_\_\_ Email: \_\_\_\_\_

Phone - Residence: \_\_\_\_\_ Cell: \_\_\_\_\_

Length Requested: 100 Meters \_\_\_\_\_ Other: \_\_\_\_\_

1. The minimum length for dust control is 100m (328') for \$300.00+GST, which must be prepaid and accompany this application. If you wish to have road oil, the cost is \$1,700.00+GST per 100m.
2. Applications that exceed the 100m minimum length will be charged \$3.00 per meter (or \$17.00 per meter for oil) and will be invoiced to you after it is applied.
3. The width of dust control application will vary from 7m – 9m (23' – 30') depending on the road.
4. You will be required to reapply for this service every year if you wish to continue receiving dust control from the County.
5. The County's usual dust control agent is calcium chloride, but the exact product to be used is at the sole discretion of the County and the County makes no guarantee on the effectiveness of the application.

The application deadline is **Friday April 30, 2021**. Dust control and road oil application generally starts in early June, but may begin earlier if weather permits and the contractor is available. Residents that apply for dust control and provide an email will be notified each spring of the upcoming dust control each year by email.
